

"Welcome to the Neighborhood"

Looking forward to watching the boys of summer, but not dealing with stadium traffic? The Milwaukee County Transit System is the perfect way to get to Milwaukee Brewers baseball this season. For the Home Opener April 4th 2011, Route 90 (Miller Park) will provide service every 10 minutes to stops along Wisconsin Avenue. Service will begin two hours before the 1:05 p.m. Start time, so fans can reach the stadium in plenty of time to see the Brew Crew take on the Atlanta Braves. For other home games, service runs every 20 minutes. This brochure will give detailed information about MCTS service to Miller Park Brewers Home game service and other Services provided. For more information about Brewers home game schedule and ticket prices, visit Brewers.com
