

This project is proposed to bring the North Red and Purple Lines' stations, track systems, and structures into a state of good repair from the track structure immediately north of Belmont station to the Linden terminal (9.5 miles). This project is one part of the Your Red Program to extend and enhance the entire Red Line.

You're invited to attend a CTA Update Meeting on the North Red and Purple Modernization (RPM) project. The purpose of this meeting is to: Present updates to the ongoing Environmental Impact Statement process, Provide additional information to the public about the project and Solicit feedback from the community about the project
