

Overview

The Transit Travel Guide 2012 is an overview of travel plans that is used to gather transit material and outline travel plans that are planned according to the scheduled dates listed. This Guide is to outline other locations throughout the transit region to gather transit material that might not otherwise be available to receive through other forms of communication. Listed below is a summary of what is to be discussed in this Transit Travel Guide.

TRANSIT TRAVEL GUIDE 2012

Several significant changes are coming to Milwaukee County Transit System which include introducing three new MetroExpress routes, two new local routes and transferring service from three other routes. At this time many of our other schedules will also experience their regular quarterly changes **Effective Sunday, January 29, 2012**. You will also find other helpful information to learn about all the new changes from the 2012 Transit Guide and a special issue of Bus Lines featuring maps and descriptions of major route changes.
