

Rt. 90
Miller Park

MCTS Bus Service

to all
Milwaukee Brewers
2012 home games

Service starts two hours before each game with buses operating every 30 minutes (except on opening day and for Marquee games when buses operate more frequently).

Buses leave Miller Park after the game is over until a half hour after the game is completed.

Fares are \$2.25 for adults each way and \$1.10 each way for children (6-11), seniors (65 and over) and individuals with disabilities. Exact cash fare is required or use MCTS tickets and weekly passes.

Bus stops are along Wisconsin Avenue from the Downtown Transit Center to 38th Street, except where the bus detours during construction on the Milwaukee River Bridge (see opposite side for a map of bus stops). Return trip buses serve all eastbound stops.
