Harold Washington Library-State/Van Buren Washington/Wabash Merchandise Mart
Quincy Roosevelt State/Lake Washington/Wells

Impact:

Planned Major Work **Affects Train Tracker estimations** (What's this?)
Saturday, October 24, 2026 - 4:00 AM
to **Monday, October 26, 2026** - 2:00 AM

Full Description:

How does this affect my trip?
Train service to Loop Elevated stations (Clark/Lake, State/Lake, Washington/Wabash, Adams/Wabash, H.W. Library, LaSalle/Van Buren, Quincy and Washington/Wells) will be temporarily suspended.

After Polk station, **Pink Line** trains will be rerouted to the Racine **Blue Line** station. Transfer to **Blue Line** subway trains for continuing service downtown. For **Pink Line** service to Ashland, Morgan and Clinton, consider local bus routes between the Pink or Blue lines and the Green Line, especially the #9/#X9 on Ashland, which provides a free connection between rail lines.

- **Green Line** trains will run between Harlem and Clinton and between Roosevelt and 63rd Street destinations, only.
- **Orange Line** trains will run between Midway and Roosevelt, only.
- **Brown Line** trains will run between Kimball and Merchandise Mart, only (consider Red Line as an alternative).
- Downtown **Red** and **Blue** line services will be unaffected.

Green and **Orange Line** shuttle buses *(shown as S1 on map)* will operate between Roosevelt and Clinton. Buses will make stops along State, Washington and Madison, and connect wit continuing **Green Line** service to Harlem/Lake at Clinton.

Additionally, **Brown Line** shuttle buses *(shown as S2 on map)* will operate between Merchandise Mart and H.W. Library. Buses will make stops near Loop stations.

Why is service being changed?
Loop Elevated train service will be temporarily suspended as we perform track maintenance at the Tower 18 rail junction.
