

# January 2006

Prior to the extension of Blue Line service from Jefferson Park to O'Hare International Airport in 1984, CTA provided service to the airport from Jefferson Park via the #40 O'Hare Express bus route. The bus shown in this photo operated on the route as part of an experiment which ultimately led to CTA purchasing articulated buses built by M.A.N. of Düsseldorf, Germany in 1979 and 1982.
